BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

PROPOSED ADJUSTMENT OF THE)
WHOLESALE WATER SERVICE RATES OF) CASE NO. 2015-00039
THE CITY OF AUGUSTA)

**BRACKEN COUNTY WATER DISTRICT'S MOTION TO
AUTHORIZE THE USE OF ELECTRONIC FILING PROCEDURES**

Bracken County Water District ("Bracken District") moves for an Order authorizing the use of electronic filing procedures in this proceeding. In support of its motion, Bracken District states:

1. On January 8, 2015, the City of Augusta, Kentucky filed with the Commission revised tariff sheets setting forth an increased rate for wholesale water service to Bracken County Water District ("Bracken District") effective for service provided on and after February 11, 2015.
2. On February 2, 2015, Bracken District requested in writing that the Commission initiate an investigation of the proposed wholesale rate increase. Bracken District further requested that, if the Commission initiated an investigation, it direct the use of electronic filing procedures for such proceeding.
3. On February 10, 2015, the Commission entered an Order in which it established this proceeding to investigate the proposed rate adjustment.
4. Pursuant to 807 KAR 5:001, Section 8(1), authorizes the Commission to direct the use of electronic filing procedures for proceedings that the Commission initiates on its own motion.

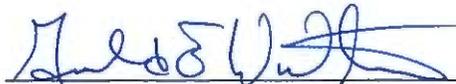

5. Pursuant to KRS 278.380, the Commission presently serves its Orders by electronic mail. Commission regulation 807 KAR 5:001, Section 4(8)(b), permits parties to serve papers upon other parties to a Commission proceeding by electronic mail.

6. Use of electronic procedures in this proceeding is a logical extension of the Commission's current practices. It will not place an undue burden on the parties, will likely reduce the expense of participating in this proceeding, and will ensure more prompt and effective delivery and exchange of papers between the parties and the Commission.

WHEREFORE, Bracken District requests an Order authorizing the use of electronic filing procedures in this proceeding pursuant to 807 KAR 5:001, Section 8(1).

Dated: February 12, 2015

Respectfully submitted,
